COLEÇÃO VITAGO

Recepção

A recepção é o primeiro ambiente a ser visualizado em uma corporação, e por isso desempenha um papel importante na apresentação da empresa. Pensando nisso, a Gebb Work desenvolveu a linha Recepção, que alia estética visual e funcionalidade, permitindo a criação de composições elegantes e arrojadas.

CARACTERÍSTICAS TÉCNICAS

BALCÕES

- Tampo e painéis laterais em MDP 40 mm;
- Pannel frontal em MDP 15 mm;
- Sistema de fixação através de parafusos rosca milimétrica e buchas metálicas.
